

# Training Management

Provide your managers with a real-time view of the training status of their team, allowing them to address compliance gaps and proactively plan employee learning and development needs.

## Key Features

View your current compliance status across multiple metrics and organisational measures

Rely on full version control for traceability, transparency, ISO 45001 and HSG65 compliance

Attach supporting documents such as qualifications and attendance certificates

Centralise all training data in one place to provide a holistic view across your organisation

Gain visibility and control of staff training course history and future needs planning

Carry out a training gap analysis for each employee quickly and easily
